UK

OQEMA is an internationally active distribution company for basic chemicals and specialities headquartered in Mönchengladbach. We are a family company by tradition and conviction. Always reliable. Always responsive. Always on-site.

OQEMA Whyte in the UK is based in Finchley, London and was acquired from Whyte Chemicals. A long term force in the UK chemical distribution market it continues with a strong emphasis on reliability, safety, quality and sustainability.

OQEMA Whyte serves customers globally, providing a broad range of products in areas including: Life sciences, Solvents, Fine Chemicals, Personal Care and Food and Flavour. The Company is focused on meeting its customers' requirements on a just in time basis from its comprehensive chemical stock holdings supported with our long term relationship with both suppliers and customers.

OQEMA. We make the world go round.

Formed in 1922, the OQEMA Group has consistently developed. For the last 25 years our growth throughout Europe and the Rest of the World has resulted in us becoming one of the Top 10 global chemical distributors. Our pioneering spirit and entrepreneurial approach has resulted in refined sourcing capabilities and market expertise. Our strategic supply network ensures that we are there where you need us, when you need us! Welcome to our world!
